**ACTION TAKEN REPORT ON CURRICULUM**

For future growth, stakeholder comments and suggestions are also taken into consideration. The relevant departments and committees discuss the areas that need improvement. The college's governing body discusses the recommendations made by the various committees and departments in order to take the appropriate action. For additional development, the areas where the college may improve are also taken into account. The Alumni Association also discusses the input that the stakeholders have given. To ensure that the syllabus and curriculum are delivered smoothly, the College Authority makes every effort to address curriculum-related concerns. It facilitates the seamless exchange of curriculum between educators and learners in every manner imaginable.
